

# Lakeside Vikings Baseball

CLASS OF 2022

SENIOR DAY

April 21, 2022

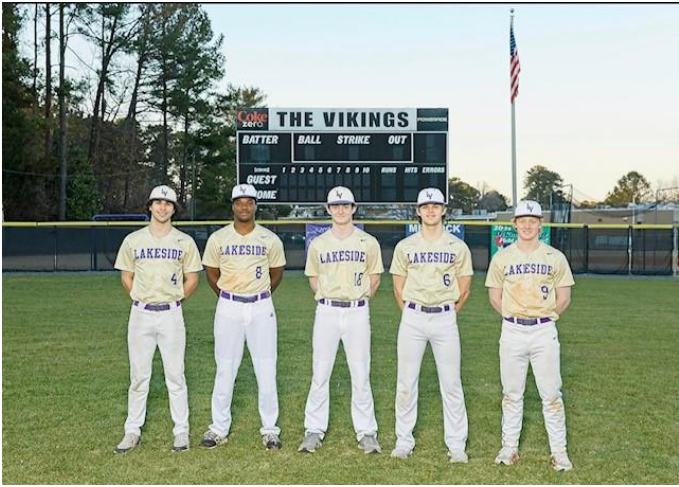

# SENIOR DEDICATION

---

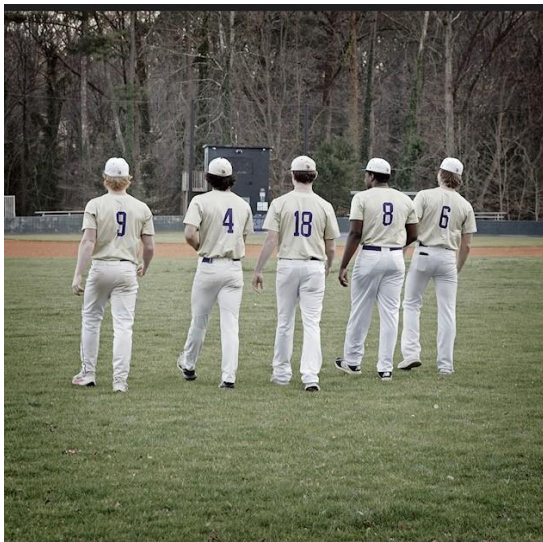

I want to say how proud I am to have coached the Seniors on this 2022 Vikings Baseball team. They are a special group of young men who all have incredible potential to succeed in life. Some of them I have coached at baseball camps when they were in Little League. They are incredibly intelligent and savvy ball players. As good as they are on the field, each one is a better person off the field. They are excellent students! I am very proud of each one of these Seniors.

On the field, they are excellent leaders. They play the game the correct way, to win and to win with class. They work every day to get better, and they give their best effort, always. They care about their school, their team, their families, and their teammates. These attributes are the reason we will see great things from these young men in the future. I can't tell you how honored I am to have coached these boys for the past three years.
