

LAKESIDE HS SPORTS HALL OF FAME CLASS OF 2021

APRIL 17, 2021 | LAKESIDE HIGH SCHOOL

The Lakeside Sports Hall of Fame Committee would like to thank Lakeside High School principal Susan Stoddard, and the administration and staff (especially Rick Turner) for helping make another induction ceremony a reality. The committee would also like to thank the Lakeside High School Masters, a golf tournament started in 1988 dedicated to helping the school, which provided the food and drinks for the event as well as Chick-fil-A owners Tom Balsamides and Brad Spratte, who are always there when you need them. Mike Balsamides ('84), who runs the Masters, continues to be instrumental in setting up all aspects of the lunch and Lakeside Foundation treasurer Lori Cora has been a big addition to the team. Both Balsamides ('80) and Spratte ('83) are Lakeside graduates and Cora went to Henderson. Also, Joan Kicklighter ('80) has been here since the inception of the Hall and does a wonderful job with all the decorations. Lakeside HOF committee chairman I.J. Rosenberg ('81) would also like to thank the staff of Score Atlanta, especially Graham David and Adam Schindler, as well as 2020 Hall of Famer Mark Fleetwood ('79) for all his help finding the inductees and providing information on them.

The Lakeside Masters, established in 1988, is an annual golf tournament benefiting student organizations for Lakeside High School.

HALL OF FAME'S 2021 CLASS FILLED WITH BIG NAMES, GREAT ATHLETES

BY CRAIG SAGER II

The Lakeside DeKalb High School Sports Hall of Fame is rolling out the red-carpet to welcome in the Class of 2021—celebrating the third year of inductees to be added to the Hall's prestigious club of Vikings legends. There were 30 members in the inaugural class and this past year added another 35 members. Like each of the previous classes, this year's class was finalized following a careful selection process that sorted through more than 150 nominees. The John Kicklighter Award has been handed out every year and is given to a person who was instrumental in Lakeside's success off the field. The Beth Cooley Award was implemented for the first time this past year and is given each year to a cheerleader. This award is named after the late Cooley, who was a graduate of the Lakeside Class of 1982. Cooley cheered while attending Lakeside and went on to the University of Georgia where she was a cheerleader and graduated Cum Laude from the University of Georgia's Terry College of Business. Beth passed away in October of 2017 after a long battle with brain cancer.

Both of these awards will be presented again this year and there will also be a total of 36 individuals represented in the Class of 2021. The Hall of Fame's growth through the first three years of its existence is joined by a growing excitement around the event and there are more than 40 members of the Hall of Fame expected to be in attendance to recognize the newest class.

Like each of the previous classes, the Class of 2021 includes athletes from a range of different sports and points of time in the school's 57-year history. This year also has a ton of multi-sport athletes, but they will all be inducted for a particular sport with the exception of Stacy Shelton—who is going in for both girls basketball and track. The rest of the Class of 2021 is comprised of 14 total football inductees, seven soccer, two cross country, two swimming, three baseball and three gymnastics.

The recipient of this year's Beth Cooley Award is Cooley's former cheerleader Joni Maulden—who graduated from Lakeside in 1980. Maulden was involved in a wide variety of activities during her time at Lakeside—including serving as Class Treasurer and earning Homecoming Queen her senior year. Also, Chris Garner, who graduated in 1978 will be inducted for his incredible four-year career on the varsity soccer team. Garner's daughter Sarah followed in his footsteps and played soccer for the Vikings before graduating in 2017.

During the red-carpet ceremony, each inductee will receive a Hall of Fame jacket, medallion and plaque.
